

## "Faults Prophecy"

copyright 2002 by Frederick Passmore

(Adapted from our national one-minute radio program, "You Gotta Laugh!")

*(Play the Skit Bits music open as the players come onto the stage and take their positions.)*

*(If you are using the Supplemental Skit Trax CD, **begin Track #34**, the standard skitbit open music.)*

*(Two guys are standing at a table packing various items in cardboard boxes. One of them, Bill, after working a few moments, stretches and shakes his hands as if they are tired.)*

**Bill:** "I feel like taking a break. Think I'll see what my horoscope says for today..."

*(He picks up a newspaper and sits down to read it.)*

**Jerry:** "You mean horriblescope! Bill, you shouldn't be looking to some superstition to know your future! You should trust the Lord and read His Word!"

**Bill:** "Now, let's not get into all that religious stuff again, Jerry."

**Jerry:** "But astrology IS a religion! It's people trusting in the stars instead of the Son...the Son of God!"

**Bill:** "I'm not gonna put my trust in someone I don't know. But Madame Seer has a fortune-telling place right here in town!"

**Jerry:** "Bill, remember the boss said we have to have all orders filled before noon."

**Bill:** "Aw, you're doing okay with it."

**Jerry:** "Thanks a lot." *(He keeps working.)*

**Bill:** "Let's see, Virgo, Libra... here it is; Pisces! Listen to this, Madame Seer is always right on the money!"

Jerry: "Bill, they're giving the same reading for millions of people! It's impossible! If it's ever right it's just dumb luck."

Bill: "Then today must be my lucky day! Listen: 'You will experience a life-changing event today. Your work will finally be rewarded. Watch for an unexpected door to open.'"

*(A door opens and the Boss, Mr. Boyle, charges in.)*

The Boss: *(Shouting angrily.)* "Bill!

*(Bill jumps up, startled and guilty, trashing the newspaper and trying to hide it.)*

Bill: "Mr. Boyle!"

The Boss: "Caught you goofing off again! YOU'RE FIRED!"

*(If you are using the Supplemental Skit Trax CD, **begin Track #35**, the standard skitbit close music.)*

*(Music out: "Skit Bits Music Close" Hint: Play the outro music IMMEDIATELY upon the delivery of the last line for maximum impact! Nothing kills a funny moment faster than a flubbed or delayed musical cue! Have the actors beat it offstage as quickly also, as the music begins.)*

END

---

### **Rights Of Use**

*(NOTE: The following terms must be printed out and included with any and all copies of the sketch distributed to performers, director, etc.)*

Legal fine print: This and any other skit material on this site is copyrighted by Sheep Laughs Records. Use of their material is limited by the following terms:

- You may print out and duplicate as many copies as you need to distribute to your performers, but **republishing on the Internet, in print, or in any other manner is expressly forbidden.**
- You may only print out the document in it's original format, which contains the Sheep Laughs Records copyright information.
- Recordings of the performance (video or audio) for resale is unlawful. You may videotape the production for your own purposes, however. No broadcast of the performance of this material may be made over television or radio, without special permission. If it is part of a televised church service, permission is usually given, with conditions.
- **The right of live performance of this sketch is granted at no charge on the express condition that you inform Sheep Laughs Records of your intent to do so, via email or other communication.** The right of live performance is limited to productions for churches, church events, or ministry teams. It may not be used in any event where there is a charge for viewing or presenting the material, unless special permission is asked and given.
- These terms are not binding upon Sheep Laughs Records and do not prohibit their future publication of this sketch material in any form. The rights outlined may be withdrawn at any time by Sheep Laughs Records.

The musical pieces contained in the WAV files "Skit Bits" Open and Close are copyrighted by the owners and may not be duplicated or used for any other purpose than the performance of these scripts.
